Clean & Sanitize Tips

- Use this method for a quick clean-up here and there throughout the season — adding in the bleach solution to easily sanitize and eliminate any stubborn stains or dirt build-up from the winter months.
- Mix mild dish soap and warm water in a bucket.
 - Use a clean cloth to wipe the soapy mixture onto the surfaces of your furniture, cleaning off any dirt.
 - For extra cleaning power or to sanitize, mix 1/3 bleach and 2/3 water.
 - Apply bleach mixture to furniture with a clean cloth and allow it to sit on the lumber for a few minutes (this will not affect the color).
 - Loosen any dirt and debris that may catch in the surface grooves of the lumber by scrubbing the bleach mixture with a soft-bristle brush.
 - Rinse thoroughly using a garden hose with a spray nozzle.
